HUMMINGBIRDS

Facts and Care Tips

Four common types
in the Okanagan:
Anna's
Black-chinned
Calliope
Rufous

Are you committed to Hummingbirds?

Feeders are a great food source for these beautiful travelers and can attract large amounts of hummingbirds. The key to a successful and healthy feeder is to clean it regularly. A dirty feeder can carry harmful bacteria and fungi that will kill many birds. If you choose to feed this summer please be sure to take in your feeders starting in September unless you continue to feed all year. Hummingbirds will stay around if they can rely on your feeder as a food source. If you do choose to feed in the winter you may have to bring in your feeder at night to prevent freezing.

How to clean the feeder:

Deep clean once a week with one part white vinegar to four parts water.

Change the solution every couple days.

Do not use bleach, soaps or cleaning chemicals to clean feeder.

To make nectar:

Boil water for two minutes.

Mix one part white sugar to four parts water.

Allow mixture to cool before filling feeder.

NEVER use honey, sweeteners, molasses, brown or raw sugar.

Please, do NOT add red food colouring or other products.

PLEASE CHANGE YOUR MIX

Hello Westsider Insider Readers!

Did you know that the west side of the lake north of Nahun is changing federal boundaries April 23rd? This new riding is called VERNON-LAKECOUNTRY-MONASHEE and will be one of the fastest growing ridings in the country.

My name is Kevin Kraft and I am currently the East Electoral Area Director with the RDCO and Vice-Chair of the Regional Board. Director Carson and I have worked hand in hand over the last year and a half addressing the concerns of the rural communities in the RDCO boundaries. I am also very excited to inform you all that I will be putting my name forward for the Conservative Party of Canada in this new riding as the Member of Parliament. If interested in the Conservative Party and the coming nomination race as well as the coming election slated for October 2025, I encourage you all to purchase or update your federal party membership to stay informed and up to date. In this new riding, I recognize the importance of fostering relationships with industries, businesses, and community groups to bridge any gaps between constituents and my role in Ottawa. If entrusted with your representation, I pledge to bring genuine governance and wholehearted dedication to this new riding.

I hope to see you all at the RDCO Community Connect Event May 7th at the Killiney Beach Community Hall! In the meantime, I invite you to visit my website and reach out with any questions, thoughts, or ideas you may have.

KEVINKRAFT.CA

Congratulations Jaimie! I am so pleased to see a local community newsletter that focuses on the North Westside and allows an opportunity for local businesses, entrepreneurs, community groups and our residents to advertise and/or have their say. I am sure your publication of the Westsider Insider will be well received. I have missed that form of local news since Katherine moved and we lost the Westside Post.

The current Local Government News is the Budget and the increase that came this year. The 16.5% number given to the Board is really meaningless to the individual Electoral Area West resident. I believe the percentage rate in the North Westside, Trepanier and Brent Road will be considerably lower and that the Wilson's Landing/Traders Cove area will be significantly higher. The higher rates are due to structural assessment loss from all the structures lost to the McDougall Creek fire, in particular Lake Okanagan Resort and its Properties. The information provided to the Electoral Area Directors was insufficient and did not allow us to discuss and explain it to residents with the detail and transparency that would gain our support for the Budget. As a result, we both, along with a Kelowna councillor voted not to support the Budget. Despite the fact that 25% of the Board opposed the Budget, the Board moved and passed the Budget a month prior to deadline. Board Highlights did not acknowledge the lack of support from the two Electoral Area Directors.

Moving forward I am hoping to find or restore funding for the Westshore Park multi-use sport court, Transfer Site expansion and site upgrade. Funding is also needed to continue the Public water systems upgrade to ground water to offset filtration costs associated with surface water and possible infestation by Quagga and Zebra mussels. For information about these items or any other aspects of your Local Government please feel free to contact me at Wayne.carson@rdco.com or 250-801-4859.

To those that support the Westside Field of Dreams... Snow is gone and we need to get a bobcat to add some jumps, bumps and berms. The past few years, I have rented a bobcat at my own expense. We are asking for your help in 2024! \$1000 a weekend.

All donations will go solely towards the bobcat rental. The more donations; the longer we will rent it. Thank you for your support!

ABOUT US

HELLO THERE! I'M TAMMIE, THE PROUD OWNER OF T'S TERRIFIC TREATS. AS AN AT-HOME BAKER, I SPECIALIZE IN CRAFTING CUSTOM SUGAR COOKIES AND GOURMET DROP COOKIES. MY JOURNEY INTO THE WORLD OF BAKING BEGAN IN MY GRANDMOTHER'S KITCHEN BACK HOME IN NEWFOUNDLAND WHEN I WAS JUST A LITTLE GIRL. OVER THE YEARS, WHAT STARTED AS A SIMPLE PASTIME BLOSSOMED INTO A TRUE PASSION. NOW, AS AN ADULT, I'VE TURNED THAT PASSION INTO A BUSINESS, DRIVEN BY MY DESIRE TO SHARE DELICIOUS TREATS WITH OUR WONDERFUL COMMUNITY AND THE SURROUNDING AREAS.
